Adult Dog Preventive Healthcare Plans

Preventive medicine helps to keep your dog healthier, prevent disease, and detect illness earlier for best treatment.

These Preventive Healthcare Plans are designed with our patients' needs in mind in order to create individualized care plans for each pet.

Basic Plan

All dogs, even **young** and **healthy** ones, benefit from these important wellness measures.

Complete Plan

This plan offers additional benefits such as more inclusive screening for dogs reaching **middle age** or as they become more **at-risk** for disease.

Advanced Plan

This plan is ideal for our **older** patients or for those with **special needs**, and provides many added benefits for the most enhanced coverage.

All Plans include Unlimited Scheduled Office Visits!

Comprehensive care with a focus on disease prevention and management leads to improved overall health for your pet
